

STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS

DEPARTMENT OF TRANSPORTATION

Civil Engineer

\$40,028 - \$42,179 - \$43,671 - \$45,091*

RIDOT is currently recruiting for Civil Engineers in our Design, Construction Management and Highway & Bridge Maintenance Sections. A thorough knowledge of civil engineering principles and practices as applied in location, design, maintenance and construction of roads and bridges is required, as well as, the ability to prepare plans for highways and bridges, to perform all the computations applied to standard operations; the ability to plan and supervise the work of subordinates; the ability to read and interpret the assigned types of civil engineering plans, maps and specifications; and to do related work as required.

Required qualifications for appointment include:

EDUCATION: Such as may have been gained through graduation from a college of recognized standing with specialization in civil engineering:

SPECIAL REQUIREMENT: At the time of appointment must possess, at least, an Engineering-in-Training (E.I.T.) certificate of registration issued by the Rhode Island State Board of Registration for Professional Engineers (out-of-state reciprocity).

*Salary Step dependent upon individual experience. The current scales are subject to future annual wage increases projected to be 4%, 4%, 3% and 3% by July 2007.

Letters of interest with resume indicating expertise should be submitted to:

Rhode Island Department of Transportation
Office of Human Resources
Two Capitol Hill, Room 214
Providence, Rhode Island 02903-1124

Phone (401) 222-2572; Fax (401) 222-2574

Fringe Benefits: Excellent medical benefits and retirement packages; eleven (11) paid holidays; paid sick, vacation and personal leaves; scheduled salary and longevity increases; paid educational incentives and advancement program; standard hour workweek; and paid premium overtime.

Application period is open. Any person appointed must, within six months, establish his/her principal residence and domicile within the State of Rhode Island. Any individual with a disability who requires assistance to effectively participate in the application process should contact RIDOT at the above number.
